It had been my desire to submit the program to several before having it published, but being crowded for time, this I could not do. However, before making up the above program, I wrote to every pastor in the District for suggestions and the above program embodies in a varied degree some thing of all the suggestions offered. It is very desirable that each one whose name appears on the program prepare some thing and deliver it in person, if possible, but if you can not be at the conference, write your paper and send it to be read. Do not think because your name is not on the program that you had as well stay at home. Come and help discuss the work of the Church and throw all your powers of soul and heart into the work for the coming year. Brethren pray much for the above conference, that the sanctifying power of God may be with us and the Holy Spirit guide us in all things. We are unable to say at this time just what can be done with regard to R. R. rates, but will write again next week.
